OHIO STATE UNIVERSITY EXTENSION

OSU Extension IPM Program presents:

INVERSION & DRIFT MITIGATION WORKSHOP

Dec. 14, 2018 • 10 a.m. – noon • Reynoldsburg, Ohio

Join us for a discussion on recognizing inversions that could cause herbicide drift and ways to improve communication between farmers growing sensitive crops and pesticide applicators.

10 – 11 a.m. Weather Conditions and Potential Inversions

Speaker: Aaron Wilson, Weather Specialist & Atmospheric Scientist, OSU Extension, Byrd Polar & Climate Research Center

11 – noon Using FieldWatch to Communicate

Speaker: Jared Shaffer, Plant Health Inspector, Ohio Department of Agriculture

Attend virtually
go.osu.edu/IPM

Attend in-person
Ohio Dept. of Agriculture
8995 E. Main St.,
Reynoldsburg, OH 43068

No cost to attend. Pre-registration required for in-person attendees at go.osu.edu/IPM

For more information, contact Cindy Folck, folck.2@osu.edu, 614-247-7898

Core commercial and private pesticide credits available only at the Reynoldsburg in-person location. Limited to first 75 registered. **No pesticide credit given for virtual/internet attendees**
