

How does a worker cooperative work? Learn the nuts and bolts of worker-ownership and start recognizing co-op opportunities in your community.

This practical workshop of the Appalachia Cooperates Initiative will feature experts sharing how co-ops compare to other business models, cooperative finance, director responsibilities, and experiences working with co-op entrepreneurs.

Who should attend? Community, economic, and business developers; Extension educators; cooperative entrepreneurs; and community members interested in starting or growing co-ops.
