Ohio State University at Mansfield
100 Ovalwood Hall
1760 University Drive
Mansfield, OH 44906

Registration: \$35 - includes lunch and materials

**Directions to The Ohio State
University Mansfield
Campus:**

Common and Uncommon Woodland Pests

The goal for many woodland owners is to keep their woodland healthy. That can be a difficult task if you are unfamiliar with what is common to see in a woodland and what is something you should report to someone. In this class we will cover what some of those common insect and disease issues are and what if anything you should do about them. Then we will discuss some of the uncommon insects and diseases that we all hope you rarely see in your woodland.

Join OSU's Jim Chatfield, Curtis Young and Kathy Smith for the day.

Class Fee: \$35 Class includes indoor and outdoor sessions - dress appropriately. Lunch and materials are included in the class fee.

Common and Uncommon

Name _____

Address _____

City _____

State _____

Zip _____

Phone _____

Email _____

Have you participated in an Ohio Woodland Stewards Program before? Yes No
