**Name That Tree**

Have a tree that you pass on a regular basis that you always wonder 'what is that?' Own a woodland and want to know exactly what trees you have? Then Name That Tree is the class for you! This one day workshop is designed to give participants in-depth training and practice on identifying trees using leaves and other common characteristics. The class begins indoors with some introductory identification clues and samples that we use to work through a dichotomous key. The afternoon is spent outside practicing!

**Class Fee:** $35 Class includes indoor and outdoor sessions - dress appropriately. Lunch and materials are included in the class fee.
