Good morning-

This week we are welcoming the cohort of the Food System Leadership Institute to campus. <https://fsli.org/> It's a pleasure to welcome individuals from all over the country and focus on leadership. This afternoon, President Drake will address the group as well. Each year, we nominate 1-2 individuals to participate. If you have interest in FSLI, contact Dr. Tracy Kitchel or Dr. Gary Pierzynski.

Later this week, on February 26th, in the Ag Administration Auditorium, the CFAES Student Council and I are hosting a "**Breaking the Boundaries**" discussion panel. The panel includes a diverse group of faculty from CFAES with a goal to examine the philosophical differences that exist among academic units in the college and overcome misconceptions and barriers between majors and departments. Panel members include Dr. Douglas Jackson-Smith, Dr. Lyda Garcia, Dr. Annie Specht, Dr. Scott Shearer, Professor Dianne Shoemaker, Dr. Steven Moeller, Dr. Jeremy Brooks, Dr. Gary Pierzynski, and Dr. Stanley Gehrt. The doors will open at 5:00 pm for food, refreshments, and networking, and the panel will answer questions from 5:30-6:30pm. I hope you'll consider joining us.

Please also consider attending on March 21 from 1-4:00 p.m. for our **Sesquicentennial Open House**. You will have the opportunity to visit the new Kunz-Brundige Franklin County Extension Building, explore through hands-on and interactive displays, and enjoy a wagon ride around the property at Waterman Agricultural and Natural Resources Laboratory. Parking will be available on West Campus at Carmack Parking Lot 5, 1091 Carmack Rd. with shuttles to/from the Waterman property. The CFAES Open House is being held in conjunction with the University Sesquicentennial Open House with various locations/events across campus. Learn more and register at go.osu.edu/cfaes150.

Faculty Advisory Council has shared the announcement about the **Spring 2020 Faculty Advisory Council and the Dean of CFAES Grant**.

Proposals for the inaugural Spring 2020 Faculty Advisory Council and The Dean of CFAES Grant which was announced at the Fall Faculty Meeting, are due March 1. The Faculty Advisory Council (FAC) invites lecturers, clinical, assistant, associate and full professors (with a minimum 75% appointment for a 9 or 12-month period) to submit proposals for the 2020 FAC/CFAES grant competition. The objectives of this call for proposals are:

1. To increase collaboration and a sense of community among the faculty within CFAES.
2. To improve the working relationship between the Faculty Advisory Council and the faculty in CFAES.
3. Provide funds to support projects that find it difficult to receive funding from other sources
4. To promote the core values of CFAES in teaching, research and extension.
