Monday Update 2/3/20

Finance Changes

As part of our strategic planning efforts, we are evaluating areas needing more focus and resources to effectively position our college for success. One of the most pressing areas needing attention is the Enterprise Project (WorkDay) implementation. I have asked Eric Bode to lead our college's efforts on this important transition. Effective February 3, Eric will shift to that new role and Terry Snoddy will serve as our interim senior fiscal officer. We will plan to conduct a search for a new senior fiscal officer later this spring.

Strategic Partnerships

Clint Woods will be pursuing another opportunity. His last day in the office was Friday, January 31. We wish Clint well. I will plan to discuss the position, gather input, and determine next steps in the coming months.

Agricultural Administration Auditorium Visioning

The auditorium in Ag Admin will be renovated and we are seeking input. Each department and user of Room 043 is being asked to provide input on how they use this space, the type and size of events it is used for, and what type of amenities are needed such as audio visual, furniture, and catering. In addition, there will be a prioritization exercise to rank the importance of options and amenities. Please come with information and ideas to share with the CFAES team.

Information gathering meetings will be held in the Ag Admin Auditorium 043:

- Tuesday, February 4th, 2020 from 2:00 p.m.-3:00 p.m.
- Wednesday, February 5th, 2020 from 11:00 a.m.-12:00 p.m.
