

About Health Reporting

As part of the initiative chartered by the COVID-19 transition task force some individuals are required to monitor their health and report back to their department and the Office of Human Resources through the Ohio State app or [Compass](#). We take your privacy seriously. The data collected will only be used for this crisis and then will be purged.

Health Reporting

The temperature and symptoms you entered on 6/9/2020 at 8:06 AM indicate that you may have signs of an infection.

Do not report to work.

If you are currently at work, leave now.

Please contact your manager as soon as possible.
